MESSAGE

I am happy to learn that the fifth edition of the Vadodara International Marathon is being organized on 7 February, 2016.

I am also pleased to note that this year, the Marathon will help generate awareness on subjects such as Swachhta, Women Empowerment, and Traffic Awareness.

Over its short history, this event has already become a symbol of Vadodara's collective strength and its citizens' spirit of sportsmanship. On this occasion, I extend my best wishes for the success of the event.

(Narendra Modi)
