MESSAGE

I am delighted to learn that the MG Motor Vadodara Marathon 2018 is scheduled on 7th January, 2018.

I commend the organizers for choosing the theme of celebration of Vadodara's smart city status. This pledge from citizens towards participation in keeping the city smart is a key part of every citizen-government partnership. This is the true spirit of Jan Bhagidari.

I also appreciate this marathon as it will take the message of physical fitness and importance of sports to more people.

Vadodara and its energetic citizens are very special for me and I wish the participants and the organizers a good run!
